Berkshire

ValuSeal™: A superior cleanroom wiper.

Why? It's simple: Superior performance at a superior price. Berkshire's new ValuSeal line features strength, high absorbency, and laser cut and sealed edges. These wipers are extremely low in particulation, fibers, ions and residues. We engineered ValuSeal to bring this performance to you at a competition-beating price. Compare ValuSeal's price and performance stats to any wiper on the market and the benefits will be crystal clear: ValuSeal delivers quality, consistency, performance and economy.
